Terms and conditions
South East Water school incursions

1. Please complete the in-school activity booking form online and make sure that all details are filled in correctly.

2. The in-school activity program is only available to primary schools within the South East Water service region. There is no cost to the school.

3. The activities are provided in-kind with the understanding that the school will in return place a “Stop the drip and save” water message from South East Water in their newsletter (provided electronically as a jpeg attached to the reminder email).

4. Each school is entitled to one visit per school calendar year. This does not include visiting the Mt Martha Sewage Treatment Plant.

5. South East Water can cater to bookings with a minimum of 30 students through to a maximum of 100 students.

6. If the school cannot provide the activity requirements as detailed, they must contact South East water to make alternate arrangements.

7. South East Water requires a minimum of two weeks’ notice for bookings.

8. A minimum notice of one weeks’ notice is required for any cancellations.

9. In the case of unforeseen circumstance causing either party to cancel on the day of the booking (or in the week prior), notification must be made by phone to ensure the other party is aware of the change.

10. Should South East Water need to reschedule they will work with the school to find a suitable replacement date.

11. School bookings will be allocated on a first come first served basis. Booking capacity is limited each term and it is at South East Water’s discretion as to when booking capacity is reached.
